Dear Parent/Carer,

I am writing to advise you that your son/daughter will be taking their final set of Year 13 Progression examinations during the w/c Monday 16th April 2018 (Week A). For most subjects this will consist of 2 papers. Students will only be required to attend for examinations during this week except for BTEC Business and ICT students who will be expected to attend lessons as normal.

These examinations are extremely important as part of their preparation for the external examinations in the summer. This will be their final opportunity to experience examinations of the type they will be attempting in the summer. As such, we are advising you at this point so that you are able to encourage your son/daughter to prepare thoroughly by revising. All revision completed will also help them for the external examinations that follow in the forthcoming months.

Please encourage and support your child in the run up to these examinations. If you require any further information please do not hesitate to contact me.

Yours sincerely,

Mr R Haydon

Head of Sixth Form (Year 13)

Head of RE / Social Science
