

## **Year 10 Economics Revision List**

Factors of Production

Scarce resources

Competition

Elasticity

Labour market

Equilibrium

Economies of scale

Role of financial institutions

Supply and demand curve

Students should use their class notes from Year 9 and 10 to adequately prepare for their mock paper. They will have 1 Economics paper that will test the above knowledge. Students should also revise exam structure as they will need to be using this for longer answer questions.

Revision guides are available to purchase from the following link: <https://www.amazon.co.uk/My-Revision-Notes-GCSE-Economics/dp/1510472185>

If you have any further questions, please contact your child's class teacher or head of department, Miss Newnes on [C.Newnes@alleynes.staff.sch.uk](mailto:C.Newnes@alleynes.staff.sch.uk)
