Governors' Report

The Governors present their annual report together with the financial statements and auditor's report of the charitable company for the period 1 September 2015 to 31 August 2016. The annual report serves the purposes of both a Governors' report, and a directors' report under company law.

The Governing Body operates the Academy for pupils aged 13 to 18 serving a catchment area in Stone, Staffordshire. It has a pupil capacity of 1025 and had a roll of 805 in the school census in October 2015.

Structure, Governance and Management

Constitution

The Academy is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust. The Governors of Alleyne's Academy are also the directors of the charitable company for the purposes of company law. The charitable company is known as Alleyne's Academy.

Details of the Governors who served during the year are included in the Reference and Administrative Details on page 2.

Members' Liability

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Governors' Indemnities

A Governor may benefit from any indemnity insurance purchased at the Academy's expense to cover the liability of the Governors which by any virtue of any rule of law would otherwise attach to them in respect of any negligence, default or breach of trust or breach of duty of which they may be guilty in relation to the Academy: provided that any such insurance shall not extend to any claim arising from any act or omission which the Governors knew to be a breach of trust or breach of duty or which was committed by the Governors in reckless disregard to whether it was a breach of trust or breach of duty or not and the costs of any unsuccessful defence to a criminal prosecution brought against the Governors in their capacity as directors of the Academy.

Method of Recruitment and Appointment or Election of Governors

The management of the Academy is the responsibility of the Governors who are elected and co-opted under the terms of the Articles of Association.

The Members may appoint up to three Governors. They may appoint Staff Governors through such process as they may determine, provided that the total number of Governors (including the Headteacher) who are employees of the Academy does not exceed one third of the total number of Governors.

Parent Governors shall be elected by parents of registered pupils at the Academy. A Parent Governor must be a parent of a pupil at the Academy when he/she is elected.

The Governors may appoint Co-opted Governors, provided that the total number of Co-opted Governors who are employees of the Academy does not exceed one third of the total number of Governors (including the Headteacher).

The minimum number of Governors allowed at any time is three.

Policies and Procedures Adopted for the Induction and Training of Governors'

The induction and training procedures provided for new Governors will depend on their existing experience. Where necessary, induction will provide training on educational, legal and financial matters. All new Governors will be given a tour of the Academy and the opportunity to meet with staff and students. All Governors are linked to a department or specialism. All Governors are provided with copies of relevant policies, procedures, minutes, budgets, plans and other documents. All Governors are subject to Disclosure and Barring Service (DBS) checks.

Alleyne's Academy

Governors' Report (continued)

Organisational Structure

A unified management structure is in place. The Governors are responsible for setting general policy, adopting an annual school improvement plan and budget, monitoring the use of budgets and making major decisions regarding the direction of the Academy, capital expenditure and senior staff appointments.

The Senior Leadership Team control the Academy at an executive level implementing the policies laid down by the Governors and reporting back to them. As a group, the Senior Leadership Team always contains a Governor. The Headteacher is the Accounting Officer. Some spending control is devolved to other senior members of the staff, with limits above which a member of the Senior Leadership Team must countersign.

Arrangements for Setting Pay and Remuneration of Key Management Personnel

For teaching staff, the Academy adopts the Department for Education's published 'School Teacher's Pay and Conditions Document 2015' which offers guidance on school teacher's pay and conditions. For non-teaching staff the Academy adopts the National Joint Council's published '2014-2016 Payscale and Allowances'.

Connected Organisations, including Related Party Relationships

As a convertor Academy, Alleyne's Academy has no structural or commercial affiliation to any other organisations. All pecuniary interests for staff and Governors are recorded and reviewed at least annually and, in the case of Governors' meetings, at every meeting.

Objectives and Activities

Objects and Aims

The Academy holds a firm belief that, in order to achieve our aims, we should work in partnership with stakeholders and external organisations.

The principal activity of the Academy is the provision of high quality education for students of all abilities between the ages of 13 and 18.

Objectives, Strategies and Activities

The main objectives for 2016/17 are to continue to raise achievement and standards at GCSE and A Level, to improve attendance of students and to constantly strive to improve the teaching and learning in the Academy. These and other objectives are to be found in more detail in our School Improvement Plan.

Public Benefit

The Academy Governors have had due regard to the guidance on public benefit as published by the Charity Commission, particularly with regard to the education of young people in Stone.

Strategic Report

Achievements and Performance

The Academy continued to achieve excellent GCSE results in 2016. 73% of all students achieved 5 or more grades at A*-C including A*-C in English and mathematics. Progress for students in the Academy is measured across 8 subjects and is significantly above the national average. Both these indicators put the Academy in the top 20% of schools for the progress made by its students in secondary education.

Post 16 results were in line with those of previous years with an average points score per entry for academic qualifications of 30.3, equivalent to a grade C at A level, and an average points score of 40.5 for vocational qualifications, equivalent to a Distinction + grade.

Governors' Report (continued)

Self-evaluation at Alleyne's is rigorous and the Senior Leadership Team is confident that this performance can be sustained.

Key Performance Indicators

The Academy's KPI's are:

- Annual GCSE results;
- Annual A Level results;
- Ofsted inspection reports, and
- Annual balanced budget.

The achievements and performance of the Academy are measured principally through external examination results at GCSE and A Level. In 2016 these results were higher than national achievement levels.

Alleyne's Academy was judged 'Good with Outstanding Features' at its last Ofsted inspection in April 2016. A copy of the full report is available on the Academy website.

A balanced budget was set for 2015/16 and expenditure was made within the boundaries of the budget.

Going Concern

After making appropriate enquiries, the Governing Body has a reasonable expectation that the Academy has adequate resources to continue in operational existence for the foreseeable future. For this reason, it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial Review

The majority of income in the year was derived from the General Annual Grant (GAG), the use of which is restricted to use in the furtherance of the objects of the Academy Trust. The GAG received during the period covered by this report and the associated expenditure is shown as restricted funds in the Statement of Financial Activities.

Total income for the Academy during the year was £4.286m (2015 - £4.692m) and total expenditure was £4.713m (2015 - £4.850m), giving rise to a deficit of £0.427m (2015 - deficit of £0.158m).

The Academy had cash reserves of £1.145m as at the balance sheet date (2015 - £1.236m).

The Academy's restricted funds as at the balance sheet date were £6.999m (2014 - £7.538m) and its unrestricted funds were £0.419 (2014 - £0.456m).

The Academy held an endowment policy at as the balance sheet date valued at £0.044m (2015 - £0.44m).

The Governors remain concerned with the deficit that the Local Government Pension Fund is reporting. (See Note 25 to the Financial Statements).

Reserves Policy

The Governors review the reserve levels of the Academy on an annual basis. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves. Restricted general funds (excluding the pension reserve) at the balance sheet date were £0.563m (2015 - £0.322m) and unrestricted funds as the balance sheet date were £0.419m (2015 - £0.456m). The pension fund remains in deficit at £1.600m (2015 - £1.361m).

Investment Policy

The Academy aims to manage its cash balances to provide for the day to day working capital requirements of its operations whilst protecting the real long-term value of any surplus cash balances against inflation. In addition, the Academy aims to invest surplus cash funds to optimise returns but ensuring the investments are such that there is no risk to the loss of these cash funds. During the year £250,000 was placed into a 32 day investment account, providing an annual interest rate of 0.7%.

Alleyne's Academy

Governors' Report (continued)

Principle Risks and Uncertainties

The Governors have assessed the major risks to which the Academy is exposed, in particular those related to the operations and finances of the Academy, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Funding fluctuations due to falling numbers on roll and reductions to funding are a significant risk to the Academy. However, through maintaining an awareness of pupil numbers in feeder schools, an awareness of national proposals and initiatives and strategically planning for possible future reductions, this risk is mitigated.

Internal control systems and exposure to risks are considered on a regular ongoing basis by the Senior Leadership Team and the Governing Body.

Plans for Future Periods

The Academy will continue to:

- provide high quality education for young people in Stone and the surrounding areas;
- raise aspirations, attainment, achievement and attendance amongst our young people;
- attract high quality teaching and support staff to work at the Academy;
- work with its feeder schools and local businesses to further the aims of the Academy, and
- maintain and improve the buildings and site where grants and fund permit.

Auditor

In so far as the Governors are aware:

- there is no relevant audit information of which the Charitable Company's auditor is unaware; and
- the Governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Governance Statement

Scope of Responsibility

As Governors, we acknowledge that we have overall responsibility for ensuring that Alleyne's Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Governing Body has delegated the day-to-day responsibility to the Headteacher as Accounting Officer, for ensuring that financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Alleyne's Academy and the Secretary of State for Education. They are also responsible for reporting to the Governing Body any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Governors' Report and in the Governors' responsibilities statement. The Governing Body has formally met 3 times during the year. Attendance during the year at meetings of the Governing Body was as follows:

Review of Value for Money

As Accounting Officer, the Headteacher has responsibility for ensuring that the Academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy's use of its resources has provided good value for money during each academic year, and reports to the board of Governors where value for money can be improved, including the use of benchmarking data where available. The Accounting Officer has set out in detail how the Academy has delivered improved value for money during the year in the Value for Money Statement issued. A summary of the key areas are as follows:

- Improving educational outcomes
- Financial governance and oversight
- Procurement
- Income generation

- Reviewing controls and managing risk
- Future plans and lessons learned

Governance Statement (continued)

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Alleyne's Academy for the period 1 September 2015 to 31 August 2016 and up to the date of approval of the annual report and financial statements.

Capacity to Handle Risk

The Governing Body has reviewed the key risks to which the Academy is exposed, together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Governing Body is of the view that there is a formal on-going process for identifying, evaluating and managing the Academy trust's significant risks that has been in place for the year 1 September 2015 to August 2016 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Governing Body.

The Risk and Control Framework

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures, including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Governing Body;
- regular reviews by the Finance Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The Governing Body has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the Governors have decided to use the services of Staffordshire County Council Internal Audit Department to carry out compliance and themed audits. A financial health check was carried out in May 2016 and the findings of which were reported to the Governing Body. Remedial action was taken to implement the recommendations from the report.

Review of Effectiveness

As Accounting Officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the Staffordshire County Council Internal Audit Department;
- the work of the external auditor;
- the financial management and governance self-assessment process;
- the work of the executive managers within the Academy trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Governors' Finance Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Statement on Regularity, Propriety and Compliance

As Accounting Officer of Alleyne's Academy, I have considered my responsibility to notify the Academy Governing Body and the Education Funding Agency of material irregularity, impropriety and non-compliance with EFA terms and conditions of funding, under the funding agreement in place between the Academy and the Secretary of State. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2015.

I confirm that I and the Academy Governing Body are able to identify any material irregular or improper use of funds by the Academy, or material non-compliance with the terms and conditions of funding under the Academy's funding agreement and the Academies Financial Handbook 2015.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of Governors' and EFA.

Statement of Governors' Responsibilities

The Governors (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Governors' Report including the Strategic Report and the financial statements in accordance with applicable law United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Academies Accounts Direction published by the Education Funding Agency.

Company law requires the Governors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2015 to 2016;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards [FRS 102] have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Governors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the EFA/DofE have been applied for the purposes intended.

In so far as the Governors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Governors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditor's Report to the Members of Alleyne's Academy

We have audited the financial statements of Alleyne's Academy for the year ended 31 August 2016 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

This report is made solely to the Academy trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy trust's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy trust and its members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Governors' and auditor

As explained more fully in the Statement of Governors' Responsibilities set out on page 13, the members and directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Academy trust's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Governors'; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Governors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Academy trust's affairs as at 31 August 2016, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Governors' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or

Alleyne's Academy

Independent Auditor's Report to the Members of Alleyne's Academy (continued)

- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Independent Reporting Accountant's Assurance Report on Regularity to Alleynes Academy Trust and the Education Funding Agency

In accordance with the terms of our engagement letter dated 1 October 2016 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies: Accounts Direction 2015 to 2016, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Alleynes Academy during the period 1 September 2015 to 31 August 2016 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Alleynes Academy and the EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Alleynes Academy and the EFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Alleynes Academy and the EFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Alleynes Academy's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Alleynes Academy's funding agreement with the Secretary of State for Education dated 29 July 2011 and the Academies Financial Handbook, extant from 1 September 2015, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies: Accounts Direction 2015 to 2016. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies: Accounts Direction 2015 to 2016 issued by the EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy trust's income and expenditure.

The work undertaken to draw our conclusions includes:

- scrutinising ledgers and supporting evidence regarding the use of restricted funds;
- checking opening and closing fund reconciliations;
- reviewing the financial management information prepared by the finance committee and the minutes of the meeting of Governors; and
- undertaking assurance based testing as additional procedures in each area of our audit work, focusing on both the use of funds and the understanding by the accounting officer and Governors of their respective responsibilities, in particular how the systems in place assisted them in fulfilling those responsibilities.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2015 to 31 August 2016 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements for the Year Ended 31 August 2016

1 Statement of accounting policies

Basis of Preparation

The financial statements of the Academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2015 to 2016 issued by EFA, the Charities Act 2011 and the Companies Act 2006.

First time adoption of FRS 102

These financial statements are the first financial statements of Alleyne's Academy prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) and the Charities SORP 2015 (SORP 2015). The financial statements of Alleyne's Academy for the year ended 31 August 2015 were prepared in accordance with previous Generally Accepted Accounting Practice ('UK GAAP') and SORP 2005.

Some of the FRS 102 recognition, measurement, presentation and disclosure requirements and accounting policy choices differ from previous UK GAAP. Consequently, the Governors have amended certain accounting policies to comply with FRS 102 and SORP 2015.

Reconciliations to previous UK GAAP for the comparative figures are included in note 30.

Going Concern

The Governors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Governors make this assessment in respect of a period of one year from the date of approval of the financial statements and have concluded that the Academy has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

All incoming resources are recognised when the Academy has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

• **Grants receivable**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the year for which it is receivable and any unspent amount is reflected as a balance in the restricted general fund. Capital grants are recognised when receivable and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Capital grants are recognised when receivable and are deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Notes to the Financial Statements for the Year Ended 31 August 2016 (continued)

- **Sponsorship income**
Sponsorship income provided to the Academy trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.
- **Donations**
Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.
- **Other income**
Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Academy has provided goods or services.
- **Donated goods, facilities and services**
Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and "Income from other trading activities". Upon sale, the value of the stock is charged against "Income from other trading activities" and the proceeds are recognised as "Income from other trading activities". Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within "Income from other trading activities".

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy's accounting policies.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Expenditure on raising funds**
This includes all expenditure incurred by the Academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.
- **Charitable activities**
These are costs incurred on the Academy trust's educational operations, including support costs and costs relating to the governance of the Academy trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1 Accounting Policies (continued)

Tangible Fixed Assets

Assets costing £2,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the Government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the Academy's depreciation policy. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line/reducing balance basis over its expected useful lives, as follows:

Long leasehold land	-	2% straight line
Long leasehold buildings	-	2% straight line
Fixtures, fittings and equipment	-	20% straight line
ICT equipment	-	33% straight line

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities

Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions

Provisions are recognised when the Academy trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

Leased Assets

Rentals under operating leases are charged on a straight line basis over the lease term.

Notes to the Financial Statements for the Year Ended 31 August 2016 (continued)

1 Accounting Policies (continued)

Stock

Where material, stock consists of purchased goods for resale. Where material, stocks are valued at the lower of cost and net realisable value. Items donated for resale or distribution are not included in the financial statements until they are sold or distributed.

Taxation

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Pensions Benefits

Retirement benefits to employees of the Academy trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in Note 25, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Fund Accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education Funding Agency/Department for Education/sponsor/other funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received and include grants from the Education Funding Agency/Department for Education.

Notes to the Financial Statements for the Year Ended 31 August 2016 (continued)

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 25, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2016. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

The Governor's do not believe that there are any areas of judgement that are critical to the financial statements.

9 Related Party Transactions – Governors' Remuneration and Expenses

The Headteacher and other staff Governors only receive remuneration in respect of services they provide undertaking the roles of Headteacher and staff, and not in respect of their services as Governors. Other Governors did not receive any payments from the academy trust in respect of their role as Governors. The value of the Governors remuneration was as follows:

K Lockett (principal and trustee):	
Remuneration	£85,000 - £90,000 (2015: £80,000 - £85,000)
Employers' pension contributions	£10,000 - £15,000 (2015: £10,000 - £15,000)
J Atkinson (staff trustee):	
Remuneration	£50,000 - £55,000 (2015: £50,000 - £55,000)
Employers' pension contributions	£10,000 - £15,000 (2015: £10,000 - £15,000)
R Cash (staff trustee):

23 Contingent Liabilities

During the period of the funding agreement, in the event of the sale or disposal by other means of any capital asset for which a Government Capital grant was received, the Academy is required to either re-invest the proceeds or to repay the Secretary of State for Education and Skills the same proportion of the proceeds of the sale or disposal as equates with the proportion of the original cost met by the Secretary of State, as the Secretary of State may require.

24 Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

25 Pension and similar obligations

The Academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff, and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Staffordshire County Council. Both are multi-employer defined-benefit schemes.

The latest actuarial valuation of the TPS was 31 March 2012 and of the LGPS 31 March 2013.

Contributions amounting to £50,808 (2015: £48,189) were payable to the schemes at 31 August and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in Academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge (currently 14.1%);
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million;
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations; and
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

The TPS valuation for 2012 determined an employer rate of 16.4% from September 2015, which will be payable during the implementation period until the next valuation as at March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The pension costs paid to TPS in the period amounted to £308,193 (2015: £279,460).

A copy of the valuation report and supporting documentation is on the [Teachers' Pensions website](#).

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2016 was £126k, of which employer's contributions totalled £97k and employees' contributions totalled £29k. The agreed contribution rates for future years are 24.5% for employers and 5.5%-12% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of Academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

26 Related Party Transactions

Owing to the nature of the Academy trust's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trust has an interest.

All transactions involving such organisations are conducted at arm's length and in accordance with the trust's financial regulations, the Academies Financial Handbook and normal procurement procedures.

During the year the Academy purchased £49 (2015 - £653) of fuel for the school minibus at a service station owned by one of the governors, J Lockley. The fuel was purchased at the rate available to the general public at the time and is considered to be incidental to the use of the minibus due to the convenient location of the service station.

No other related party transactions took place in the period of account.

27 Events after the balance sheet date

There were no material events up to 29 November 2016 being the date of the approval of the financial statements by the Governors.

28 Academy boarding trading account for the year ended 31 August 2016

No boarding took place during the accounting period.

Notes to the Financial Statements for the Year Ended 31 August 2016 (continued)

29 Conversion to an Academy Trust

On 1 September 2013 the Alleyne's High School converted to Academy trust status under the Academies Act 2010 and all the operations and assets and liabilities were transferred to Alleyne's Academy from the Staffordshire County Council for £nil consideration.

The transfer was accounted for in the financial statements for the year ended 31 August 2014.

During the year ended 31 August 2015 an Educational Endowment Fund was identified as being part of the assets transferred on conversion, but the fund was not accounted for in the previous year's financial statements. The value of the fund as at 31 March 2015 was £44,480 and this was bought into the Statement of Financial Activities as restricted general funds and onto the Balance Sheet as an Investment.

30 Explanation of transition to FRS102

It is the first year that the Academy has presented its financial statements under SORP 2015 and FRS 102. The following disclosures are required in the year of transition. The last financial statements prepared under previous UK GAAP were for the year ended 31 August 2016 and the date of transition to FRS 102 and SORP 2015 was therefore 1 September 2014. As a consequence of adopting FRS 102 and SORP 2015, a number of accounting policies have changed to comply with those standards.

Reconciliations and descriptions of the effect of the transition to FRS 102 and SORP 2015 on total funds and net income/(expenditure) for the comparative period reported under previous UK GAAP and SORP 2005 are given below:

Reconciliation of total funds	1 September 2014 £000	31 August 2015 £000
Total funds under previous UK GAAP	8,177	8,061
Employee benefits accrual	31	23
Total funds reported under FRS102	<u>8,146</u>	<u>8,038</u>
Reconciliation of total funds	31 August 2015 £000	
Net income / expenditure previously reported under UK GAAP	(116)	
Change in recognition of LGPS interest cost	(10)	
Employee benefits accrual	(8)	
Net movement in funds reported under FRS102	<u>(134)</u>	

A – Change in recognition of LGPS interest cost

Under previous UK GAAP the trust recognised an expected return on defined benefit plan assets in expense. Under FRS 102 a net interest expense, based on the net defined benefit liability, is recognised in expense. There has been no change in the defined benefit liability at either 1 September 2014 or 31 August 2015. The effect of the change has been to reduce the debit to expense by £10,000 and increase the debit in other recognised gains and losses in the SoFA by an equivalent amount.

B – Recognition of outstanding employee benefits

No provision for outstanding holiday pay was made under previous UK GAAP. Under FRS 102 the costs of short-term employee benefits are recognised as a liability and an expense. Certain employees are entitled to carry forward up to

Alleyne's Academy

17 days of any unused holiday entitlement at the reporting date. The cost of any unused entitlement is recognised in the period in which the employee's services are received. A provision of £Nil was recognised at 1 September 2014, and £23,000 at 31 August 2015. The movement on this provision of £23,000 has been charged to the SOFA in the year ended 31 August 2015.
