

REQUEST TO TAKE EXAM(S) IN THE AUTUMN TERM

Information:

The Autumn 2020 Exams:

- Exams will be the same as they would have been in summer 2020 but there will be no coursework/NEA assessment marks taken into account; the results will be based purely on the exams. The only exception to this is Art* where there will be a shorter task set.
- Results from the autumn and summer series will both be your grades to use as you wish.
- Entries need to be with us by **Wednesday 2 September for A Levels** and **Wednesday 16 September for GCSEs**. There is no opportunity to take exams in the autumn for the vocational courses.
- Remember that you missed a month or more of school, teaching and learning so please carefully consider whether you would actually be as prepared as you need to be so that you are able to do your best in exams in the autumn.
- The exams will take place, as per the timetable from the exam boards, between Monday 5 October and Friday 23 October for A Levels and between Monday 2 November and Friday 23 November for GCSEs.
- The **A Level results** will be available on **Thursday 17 December 2020** and the **GCSE results** will be available on **Thursday 11 February 2021**. This is approximately 16 weeks from the start of the school year for A Level and approximately 25 weeks for GCSE).

* The externally set assignment for Art will be available to you as soon as the exam entry has been made.

If you still wish to take exam(s) in the autumn series, please complete the form on the next page:
