

October 2023

Dear Student / Parent / Carer

Sixth Form Open Evening, Thursday 19th October, 5.30pm-7.30pm

We would like to take this opportunity to invite you and your parents/carers to the Sixth Form Open Evening at Alleyne's Academy. This will be taking place in the Theatre and The Sixth Form Centre on Thursday 19th October between 5.30 and 7.30pm. Our Sixth Form students performed extremely well again with the average grade for A Level being a B and the average grade on our Applied General courses being a Distinction (equivalent to an A). Such results will make us one of the leading Sixth Forms in Staffordshire. This is largely due to the fact that we are able to offer a wide range of advanced courses, small class sizes, individual mentoring and private study support. Our dedicated Sixth Form Centre demonstrates that we value our Sixth Formers and are committed to enabling them to thrive, academically and personally.

We invite you to attend a talk with the Headteacher, myself as Head of Sixth Form and members of the Sixth Form Leadership Team in the Hall at 5.30pm. Within Sixth Form we offer a full range of qualifications including A Levels as well as Vocational Applied General courses. The evening will also provide an opportunity for both students and parents to speak to staff and current students about the courses on offer and to gain an insight into Alleyne's Sixth Form. All departments will deliver a mini presentation about their subject and the times for these can be found on the next page. These presentations are on a first come, first served basis and therefore may become full. However, there is also the opportunity to visit the departments at the times in between.

We look forward to seeing you on the night where we will also provide you with a prospectus and details of the further support we offer to Year 11 with their applications during the Year.

Yours faithfully

Mr Haydon

Senior Assistant Headteacher (Head of Sixth Form)
