# Bill Bryson Extract

- What impression does Bill Bryson give us of Blackpool?

Blackpool – and I don't care how many times you hear this, it never stops being amazing – attracts more visitors every year than Greece and has more holiday beds than the whole of Portugal.

Whatever you may think of the place, it does what it does very well – or if not very well at least very successfully. In the past twenty years, during a period in which the number of Britons taking traditional seaside holidays has declined by a fifth, Blackpool has increased its visitor numbers by 7 per cent and built tourism into a £250-million-a-year industry – no small achievement when you consider the British climate, the fact that Blackpool is ugly, dirty and a long way from anywhere, that its sea is an open toilet, and its attractions nearly all cheap, provincial and dire.
